2014 NASP® National Governing Body Rules

Iowa Statewide League Rules and State Championships

DRAFT

2014/ 2015 Iowa League Rules:
All additional governing body rules apply

Dates: December 11, 2014 through February 22, 2015. To schedule or find a league events go to nasptournaments.org League events must be scheduled at least one week prior to the event date in order to be league approved.

Eligibility: Every competitor must attend a school offering NASP lessons as part of the in-school curriculum. Every team must have written approval from the schools principal to be involved in the NASP league at the start of the season. The letter must be a typed letter including a date and will be submitted to the DNR by December 11, 2014. If there are any questions about eligibility the team must show the letter to the DNR upon request.

Venue locations: League events may be conducted in school gymnasiums or other suitable indoor locations. Event must be supervised by a certified NASP BAI or higher instructor and standard NASP whistle commands will be used throughout the event.

Team Registration: Coaches should submit their team registration to the nasptournament.org prior to

Coach attending a league event. All Basic Archery Instructors (BAI) are eligible to be coaches. BAI's and any additional adult volunteers assisting with the NASP program or league event is under the authority of the schools policy. All BAIs can register under the nasptouranment.org system but the head coach can add stipulations on who can maintain their team registration for an event. The team registration needs to be listed by school and by building. If grades are combined in the same building there can be one team, if grades are in separate buildings then each building needs a team registration. See section 1 rules listed below. All coaches and volunteers must submit their volunteer hour sheet for both non competitive events (league practices) and competitive events. If a coach or volunteer is being paid for their time these hours will not apply to the instructor. Hours are required for a state and federal report.

Participant Registration: Coaches must submit their participant's information under their team registration information in the nasptournaments.org system. The head

coach will be responsible for completing this information prior to attending a league tournament. It is suggested for parents to enter this information during practice. Each participant is required to list their first and last name, gender, grade, shirt size, date of birth, last 4 digits of social security. The system will also ask for the parents information including name, mailing address, and email address.

Approved League Events: Events must be between two or more schools with different coaches for each school in order to be approved. Scores must be recorded on approved scoresheets, verified and signed by two arches, typically from different schools and scores are submitted online in the nasptournaments.org within **five** days of completion of the shoot. There is no limit to the number of league events attended by a school. Teams may travel out of state and or invite other states to attend an event.

Equipment Checkout: The Iowa DNR Equipment Trailers can be reserved to host a league tournament on first come first serve. To reserve either the trailers or scorecard scanners email Donise.Petersen@dnr.iowa.gov at least three weeks in advance of your scheduled tournament. Reserved equipment must be picked up by the hosting event. The last hosting league event will return the equipment to Des Moines. The 2014/2015 league season will be the last season trailers will be reserved by the hosting school if they have hosted a league event using the trailer more than three (3) times. Equipment Trailers will be given priority to new schools or schools who have not hosted a league event. The additional checkout scanners are available without the use of the trailer. All users must follow the equipment guidelines and can be found on the DNR's website.

Team Definition: Schools will have the opportunity to field more than one team if the hosting league school approves. There shall be only one competitive NASP team per division, per school allowed to shoot at the State Tournament. Additional individuals will be allowed to attend and shoot for individual awards at a league event if accepted by the hosting league school.

Awards: Awards given at a league event will be based on the hosting league school. Awards shall be the responsibility of the match director.

State Eligibility: Every archer must have completed the Iowa NASP League requirements. Qualifying state championship scores will be based on the individuals and teams top two approved league event scores.

All State Team: The top 12 individual archers will make up the All State Team. The All State score will be comprised of the archers highest league score plus their State Championship score.
