Alliant Energy's Operation ReLeaf is a program to help Alliant Energy customers save energy in their homes using trees to provide shade during the summer and create wind breaks during the winter. ***For maximum energy efficiency, shade trees should be planted within 30 feet of the east and west and evergreens should be planted as a windbreak on the north and west of your home.***

Call 811 before you dig.
811 is the national phone number that initiates the free process of locating and marking the underground utility lines in your yard. It is required by law that you contact 811, Iowa One Call 1-800-292-8989 or iowaonecall.com at least three business days before you dig.

Alliant Energy customers are eligible to purchase up to two trees for $25 each (average retail cost per tree is $65.00) with the remaining cost funded through a grant from Alliant Energy). Advance purchase is recommended. In the event that additional trees are available on distribution day, they will be released for purchase at 11:00 am on a first come/first served basis or until all trees are sold. **Trees must be picked up on 10/4/2014 between 9:00 AM and 11:00 AM at Lee County Fairgrounds (North of Donnellson on Main Street).** Any trees not picked up by 11:00 AM on distribution day will be considered a donation to the Lee County Agricultural Extension District.
Trees are non-refundable, exchanges will not be accepted, and plant material is under no warranty and/or guarantee.

In exchange for the Customer's participation in this program, Customer agrees that Alliant Energy, Iowa DNR, or Lee County Agricultural Extension District shall not be liable, in contract, tort, and strict liability otherwise, for any damages arising out of the administration of this program. Alliant Energy makes no war anties, expressed or implied, with respect to any material supplied under this program. Operation ReLeaf is a partnership initiative funded by Alliant Energy and administered by the Iowa Department of Natural Resources - Bureau of Forestry and Lee County Extension.

Complete the application below and mail by 8/26/2014 with a check for $25 (for one tree) or $50 (for two trees) payable to Lee County Agricultural Extension District. No credit card or cash orders, please.

Don't purchase a tree that will be doomed to an early death by improper planting; attend a short **free workshop** to learn the most common errors that will kill your tree! Workshop begins at 10:00 am. To register, e-mail laura.wagner@dnr.iowa.gov
