FORM AR-02

APPLICABLE REQUIREMENTS & COMPLIANCE PLAN - BY APPLICABLE REQUIREMENT

(567 IAC 22.105(2)"d"; 567 IAC 22.203(2)"e")

DUPLICATE THIS TWO-PAGE FORM FOR EACH APPLICABLE REQUIREMENT

1) Requirement Name: _____ Citation: _____

2) List the Emission Unit Numbers, Emission Point Numbers, Control Equipment Numbers, and Monitoring Equipment Numbers that this applicable requirement applies to:

Emission Unit #	Emission Point #	Control Equipment #	Monitoring Equipment #

3) List the OPERATIONAL and/or EMISSION LIMITS for this requirement:

_____

_____

_____

_____

_____

4) List the Emission Units, Emission Points, and Control Equipment that will be **monitored** and the frequency of monitoring.

Emission Unit #, Emission Pt #, or Control Equipment #	Indicate what will be monitored	Monitoring frequency

5) List what **records** will be kept and the frequency of record keeping for this requirement:

Indicate WHAT will be recorded	Record keeping frequency

6) Indicate if **performance tests** have been or will be conducted for the equipment subject to this requirement. For performance tests specify the test method and the frequency that they will be performed.

Item(s) from #2	Pollutants tested	Test method used	Testing frequency

7) Outline the **reporting** that will be done for this Emission Unit:

Item(s) from #2	Indicate WHAT will be reported	Frequency of reporting

8) **COMPLETE FORM AR-01 FOR EACH EMISSION UNIT** OR **FORM AR-02 FOR EACH APPLICABLE REQUIREMENT.**
