Fee due date:

All new dischargers are required to submit an \$85 application fee with their permit application. The application fee must be submitted at the time application is submitted. Failure to do so will render the application incomplete, and the facility will not be authorized to discharge unless a completed permit application is submitted. Be advised that a discharge of a pollutant without a permit is a violation of Iowa Administrative Code 567-62.1(1).

**Payment Options:**

Electronic - Proceed to <https://programs.iowadnr.gov/payments> and choose "Pay Individual NPDES and Operation Wastewater Permit Fees". Search for this fee using the permit number or facility name, and follow the on screen instructions. Payments can be made with credit card or electronic check. All payments will include a \$1.50 processing fee, and credit card payments will include an additional 2.5% processing fee.
