

Iowa Big Tree Nomination Form

Mail to: Iowa DNR- Forestry
502 E 9th Street, Des Moines, IA 50319-0034

The Iowa Big Tree Program is designed to locate the largest trees of every species in our state. The purpose is to give special recognition to big trees, focus our attention on trees in general and to have a little fun and competition on the side. Everyone is invited to join in the search for Iowa's biggest trees. Remember, if you wish to examine or measure a "Big Tree" on private land; get permission from the owner first.
