

Fees for Drinking Water and Wastewater Operator Certification

Exam **\$30**

- This fee should accompany every exam application and every retest.

Reciprocity Application **\$30 per requested certification**

- This fee is for the time it takes to research and evaluate the applicant's current certification.

Certification **\$80**

- This fee is pro-rated throughout the renewal period dependent upon what quarter of the period the applicant passes the exam.
- It varies from \$80 to \$20 throughout the two year renewal period as indicated below:

Date	Fee
July 1 – December 31 (odd year)	\$80
January 1– June 30 (even year)	\$60
July 1 – December 31 (even year)	\$40
January 1 – June 30 (odd year)	\$20

Renewal **\$60**

- The certified operator will receive a renewal notice in May of the odd number years outlining the process to follow to qualify for renewal.
- The fees and corresponding paperwork are due by June 30 of the period.
- \$60 fee includes both Water Treatment and Water Distribution

Penalty **\$18 late fee**

- This fee is assessed if the operator fails to return the certification fee within 30 days.

Duplicate **\$20**

- Certificate
- Wallet Card
- Renewal Label
