

Draft Fee Schedule

Senate File 488 established a limited fee program for specific activities. Fees will be set consistent with 567—Chapter 30 (new). The DNR is seeking comments on this draft fee schedule. The final amounts will depend on levels that will be established by the Environmental Protection Commission.

Beginning January 1, 2016

Asbestos Fee (567 IAC 30.3)

Asbestos notifications	\$100
------------------------	-------

Major Source Construction Permit and Prevention of Significant Deterioration Application Fees (567 IAC 30.2)

Review of each new source review permit application	\$115 per hour
Review of each Prevention of Significant Deterioration (PSD) permit application	\$115 per hour
Review of each plant-wide applicability limit request or renewal	\$115 per hour
Review of each new regulatory applicability determination	\$115 per hour
Air quality modeling reviews or completion	\$90 per hour

Minor Source Construction Permit Application Fees (567 IAC 30.2)

Each application for a construction permit	\$385
Each application for a registration permit	\$100
Each application for a permit by rule	\$100
Each application for a permit template	\$100
Withdrawal of permit application before commencement of technical review	\$100

Title V Fees (567 IAC 30.4)

Title V emissions per ton*	\$70
Review of each initial or renewal Title V operating permit application	\$100 per hour

*New cap on Title V emissions fee that would be effective on July 1, 2016.
