

Notice of Hardwood Salvage Timber For Sale

The Iowa Department of Natural Resources (DNR) is soliciting competitive bids from bonded Timber Buyers to purchase, cut, and remove timber at the Loess Hills State Forest in Monona County, Iowa. The state forest property is located in Section 26 of Sioux Township (T82N, R44W) in Monona County. Areas 1-4 are shown on the photo map enclosed.

Description of Work and Scope of Services: The State of Iowa is offering approximately 220,680 board feet (Scribner) or 1,100 cords of damaged timber. The trees are located on areas as shown on the enclosed map(s). Buyers should satisfy themselves by examination as to the quality and quantity of timber offered. Timber Buyer shall cut any trees 4" DBH or larger in the damaged area. The timber is accessible through State Forest Land.

The species of trees in the salvage areas are: bur oak, walnut, ash, locust, elm, basswood, and hackberry.

Cutting is permitted only during the period of September 16 to April 14 unless otherwise authorized by DNR's Project Manager. It is the responsibility of Timber Buyer to obtain permission from DNR's Project Manager prior to working in the area.

Iowa Forestry Best Management Practices must be followed. An Iowa Forestry Best Management Practices Guide is available from the DNR's website at <http://www.iowadnr.gov>.

Streams, roads and trails shall remain free of logging debris.

Motor vehicles and logging equipment shall be operated only in designated areas. All logs shall be skid on designated trails, and decked and loaded in designated areas. All skid trails and decking areas shall be returned to satisfactory condition by Timber Buyer once the operation is complete.

Proposed Project Schedule:

Trees must be completely removed from the site no later than April 14, 2013.

Submission of Proposals: Proposals shall include a bid proposal including the total amount bid for the offered timber, signature, date, printed name and organization name of the Timber Buyer on the enclosed bid proposal form.

Bonded Timber Buyers shall submit proposals to DNR at the following address:

Loess Hills State Forest – IOWA DNR
Brent Olson Area Forester
P.O. Box 158
206 Polk Street
Pisgah, Iowa 51564-0158
Phone : 712-456-2924

For the proposal to be considered timely, it must be received by DNR no later than 2:00 pm on August 24, 2011. Any proposal received after this deadline will be rejected and returned to the Timber Buyer. The costs of preparation and delivery of the bid proposal are solely the responsibility of the Timber Buyer.

From the date of issuance of this Notice of Timber for Sale until announcement of the successful Timber Buyer, Timber Buyers may not contact any employee of the State of Iowa about this Bid Notice other than the identified contact person. Timber Buyers may submit written questions relating to the interpretation of this Notice and the procurement process to Brent Olson at the above address by no later than August 17, 2011. Written responses to any questions received will be provided to all potential Timber Buyers. Any attempt to discuss this Notice orally or in writing with any members of the DNR evaluation committee, or any employee of the State of Iowa other than the above-named DNR official, will lead to disqualification of that Timber Buyer.

Payment:

The successful Timber Buyer shall make full payment and sign a Contract within 14 days of receipt of Contract from DNR. No cutting of timber will be permitted until the Contract has been signed and full payment made to DNR.

Acceptance of Contract Terms and Conditions:

By submitting a proposal, each Timber Buyer acknowledges its acceptance of the terms and conditions of the contract located at <http://www.iowadnr.gov>. If a Timber Buyer takes exception to a provision, it must state the reason for the exception and set forth in its proposal the specific contract language it proposes to include in place of the provision. Exceptions that materially change these terms or the requirements of this Notice of Timber for Sale may be deemed non-responsive by the DNR, as determined in its sole discretion, resulting in possible disqualification of Timber Buyer's proposal. With regard to the contract, DNR and the successful Timber Buyer may agree to modifications to the terms of the contract as necessary to negotiate the terms of a contract. A Timber Buyer's failure to state an exception to any provision and propose alternative language may be deemed by the DNR to constitute Timber Buyer's acceptance thereof. DNR reserves the right to refuse to enter into a contract with the successful Timber Buyer for any reason, even after delivery of notice of selection or intent to award a contract.

Miscellaneous Information: The DNR reserves the right to reject any or all proposals, in whole or in part, to advertise for new proposals, and to cancel this Notice at any time prior to the execution of the written contract.

All information submitted by a Timber Buyer may be treated as a public record by the DNR unless the Timber Buyer properly requests that the information be treated as confidential
