The Iowa Department of Natural Resources is required to collect social security numbers from all persons obtaining a hunting, fishing or other recreational license under section 252J.8 of the Code of Iowa and 42 US Code 666(a)(13). You social security number will serve as your principal identification number to determine your eligibility for licenses. It will be provided to law enforcement agencies and the Iowa Child Support Collection Unity to establish, modify, and enforce child support obligations and to collect liabilities owed to the state or a state agency. It **WILL NOT appear on your license.*

****I understand that providing false information on this application will render my application and therefore license invalid and that I may be subject to fines and imprisonment for making a false entry in a public record in violation of Iowa Code 714.8(4), and for hunting, fishing, or trapping without a valid license in violation of Iowa Code 483A.**

*****OR the amount for the same type of license in the non-resident's state, whichever is greater. Your state MUST have reciprocity with Iowa.**

Only those species listed on the enclosed list may be propagated and sold. Any species not listed and all species of the catfish and salmonid families require special permits for importation into Iowa. Fish importation authority can be reached at (641) 647-2658.

General description of kind of work/business engaged in (please check all appropriate boxes):

Research and Development Private Consumption/Use Fishout Pond(s)
 Rearing Product for Food Rearing Product for Stocking Noncommercial - no sales
 Turtle Farm Total Acres of Water: _____
 Number of culture buildings: _____

NOTE: Each licensed aquaculture unit shall prepare an annual report of all aquaculture species bought, sold, and shipped. Reports shall be filed on or before December 31 of each year. The department may refuse to renew a license if the annual report is not provided.

This is an application and must be processed before the actual license can be issued.

List county, township, land parcel number, system type and purpose, and owner of private waters and enclosed culture structures (tanks, incubators, etc.) in Iowa to be registered for aquaculture purposes. All waters must be listed to be legally part of your resident aquaculture unit license.

COUNTY	TOWNSHIP	LAND PARCEL NUMBER	SYSTEM TYPE* AND PURPOSE**	OWNER

*Closed system, Outdoor system

(ATTACH ADDITIONAL SHEETS IF NECESSARY)

**Consumption, Bait, Stocking, Ornamental

List all aquaculture species, by common name and scientific name, that you plan to propagate, culture, or import into Iowa. Aquaculture is defined by Iowa 481A.1(3) includes, but is not limited to, fish, amphibians, reptiles, mollusks, crustaceans, gastropods, algae, and other aquatic plants.

I have read the Iowa Department of Natural Resources' regulations governing registered aquaculture and will operate in conformity with them. By signing below, I acknowledge and understand the rules and regulations regarding having this permit and realize that a State Conservation Officer may inspect me at any reasonable time. The Iowa commercial fishing laws can be found in Iowa Code Chapter 482 and the residency laws in Iowa Code Chapter 483A and Iowa Administrative Code Chapter 15.

Signed: _____ Date: _____

Title: _____
(If a company)

This is an application and must be processed before the actual license can be issued.
 Please allow 5-7 days for the processing of a completed renewal application,
 A new license application will be processed only after an inspection and approval of the culture facility.
