

# Mentor

The Springbrook Conservation Education Center is seeking  
**MOTIVATED AND OUTGOING INDIVIDUALS**  
interested in mentoring at  
the Hunting and Conservation Camp

---

Mentors get a three-day all expenses paid (food and lodging) experience while enjoying the great outdoors with young men from all over the state of Iowa. Mentors truly make our programs flow smoothly and make a difference in what the young men learn from this experience.

The responsibility of each mentor is being part of a group during the day by making sure that the participants make it to their scheduled activities and at night they are with the participants in the dorms. **The most important responsibility of the mentor is to participate with and to make sure everyone is enjoying their new experiences.** The mentors must be at least 18 years of age. We look forward to your participation. Please complete this form and return it to the address below as soon as possible.

If you have any questions, please contact AJay Winter at (o) 641-747-8383 ext. 11,  
(c) 515-669-7201 or email [ajay.winter@dnr.iowa.gov](mailto:ajay.winter@dnr.iowa.gov)
