Underground Storage Tanks Resources

Petroleum Marketers and Convenience Stores of Iowa

The Petroleum Marketers and Convenience Stores of Iowa (PMCI) is a non-profit state trade association serving the needs of independent (NOT MAJOR OIL OWNED OR OPERATED) petroleum distributors, gasoline retailers and convenience store owners throughout the state of Iowa. While many of our members may display the logo of one of the major oil companies, they are independently owned and operated from the major oil company.

Petroleum Marketers Management Insurance Company

Petroleum Marketers Management Insurance Company, or PMMIC, was formed in January 2000, to provide UST insurance coverage to Iowa UST owners. In November of 2000, PMMIC took over all assets and liabilities of the former Iowa UST Insurance Fund (Iowa Comprehensive Petroleum UST Financial Responsibility Program). As a direct writer, we work directly with the facility owner to tailor coverage to your exact needs.

Iowa Comprehensive Petroleum Underground Storage Tank Fund Board

The Board was established under Iowa Code chapter 455G to administer the Iowa Comprehensive Petroleum Underground Storage Tank Fund. The Iowa Comprehensive Petroleum Underground Storage Tank Fund Program was created and operates to assist Iowa's owners and operators of petroleum underground storage tanks in complying with federal environmental protection agency technical and financial responsibility regulations and to perform other functions set forth in the Iowa Code.
