IWRC ANNOUNCES REGIONAL FOOD WASTE REDUCTION WORKSHOPS

The Iowa Waste Reduction Center has released the schedule for five regional food waste workshops to be held throughout the state of Iowa this fall. Each workshop will have unique speakers from the region with a core focus of reducing food waste and diverting it from the landfill. The dates and locations of the workshops are:

- Monday, September 30 - Iowa City
- Wednesday, October 2 - Mason City
- Tuesday, October 15 - Council Bluffs
- Wednesday, October 16 - Sioux City
- Wednesday, October 30 - Des Moines

Each one-day workshop has a \$10 registration fee that covers lunch.

For more information or to register, visit foodwaste.iwrc.org.

The workshops are being held as part of the Iowa Food Waste Reduction Project which is funded through a Solid Waste Alternative Program grant from the Iowa Department of Natural Resources.
