

Mentor

The Springbrook Conservation Education Center is seeking
MOTIVATED AND OUTGOING INDIVIDUALS
interested in mentoring at
the Hunting and Conservation Camp for boys.

Mentors get a three-day all expenses paid (food and lodging) experience while enjoying the great outdoors with young adults from all over the state of Iowa. Mentors truly make our programs flow smoothly and make a difference in what the young men learn from this experience.

The responsibility of each mentor is being part of a group during the day by making sure that the participants make it to their scheduled activities and at night they are with the participants in the dorms. **The most important responsibility of the mentor is to participate with and to make sure everyone is enjoying their new experiences.** The mentors must be atleast 18 years of age. We look forward to your participation. Please complete this form and return it to the address below as soon as possible.

If you have any questions, please contact AJay Winter at 641-747-8383 ext. 11 or ajay.winter@dnr.iowa.gov

Mentor Volunteer Form

Full Name: _____ Date of Birth: _____

Address: _____ City: _____ State: _____ Zip: _____
