

N TARGET

With the Iowa DNR Records Program

April 2009

The Records Center staff strives to serve both the public and DNR staff by managing the Department's Records efficiently and with a high degree of integrity. For more information; Contact Leslie Leager at 515-281-4790 or leslie.leager@dnr.iowa.gov

Retention Schedule Updates

The DNR has 400+ retention schedules. Retention Schedules outline the legal life span for documents. The Records Center assists DNR staff in creating, interpreting, modifying these retention schedules.

List of New Schedules ~ Approved/Modified ~ April 2009

- CON 12-7-2-1: SARA Chemical Inventory
- CON 2-5-3: State of Iowa Facilities Improvement Corporation (SIFIC) Case Files
- CON 2-5-1: Iowa energy Bank Program Project Files
- CON 8-4-1-1: County Reports of Registered ATV & Snowmobiles
- CON 5-4-1: Dealer ATV & Snowmobile Registrations
- CON 8-3-1: Dealer Boat Registrations
- CON 8-3-1-1: County Reports of Registered Boats
- CON 8-3-1-2: Government & Farm Boat, ORV, ATV & Snowmobile Registrations

Open Records Requests

The Records Center facilitates the public and staff's ability to access open records by maintaining a reception counter for immediate retrieval of documents, along with taking requests by phone, e-mail and fax.
