**Contract Amendment - Iowa Rural Water Association - Wellhead
Protection II**

The Department requests Commission approval of a contract amendment in the amount of \$180,502.36 with Iowa Rural Water Association to extend the current services to December 31, 2008.

The purpose of this amendment is to retain the Contractor to provide assistance to an addition 52 public drinking water systems to complete their source water protection plans, to protect their drinking water sources and to assist the Department in the day-to-day implementation of the Statewide Wellhead Protection/Source Water Implementation Strategy submitted to EPA in March of 2000. Currently the Department has approved 190 Source Water Protection Plans.

Funding for this contract comes from Drinking Water State Revolving Fund (DWSRF) Other Authorized Use Set-aside.
