**TO PURCHASE** you must agree:

- to plant and use the nursery stock requested upon the described Iowa property for establishing or improving existing forests, erosion control, game or water conservation with these restrictions;
- to NOT resell or give these plants away with roots attached to any person, firm, corporation or agency nor to plant any of them for new windbreak, shade or ornamental purposes;
- to protect all planting from fire and domestic livestock grazing;
- to forfeit for destruction any trees planted or used in violation of the above restrictions.

**PAYMENTS** for spring orders under \$100 and all fall orders will be due 2 weeks from the time of the order. For spring orders over \$100 and less than \$1000, only a 20% down payment will be due in 2 weeks. For spring orders over \$1000 only a 10% down payment will be due in 2 weeks. The balance will be due March 1, 2007. Payments will be non-refundable for orders cancelled after March 1, 2007.

**SHIPPING** Orders will be shipped to any address of your choice for **\$5/100 plants**. You can pick the week you would like to have your order shipped. In the fall shipments will start the last week of October and in the spring shipments will start the last week of March. Selections will be made at the time you place the order, so early orders will receive first selection. Weeks in April will become full as we can only physically ship a limited quantity each week. Once your date is confirmed on your invoice, we will do everything possible to ship your order that week, although weather may occasionally make it impossible. **ORDERS must be paid in full before they will be shipped.** Please leave a note for the shipper where to leave them so they will not be in the sun.

**PICK UP AT THE NURSERY IN AMES** You may also pick the week you would like to pick up your order. Once again selections will be made at the time of the order, so early orders will receive first selection. **ORDERS must be paid in full before they can be picked up.**
