DECISION

TOPIC

Adopted and Filed: Chapter 37 - Boating Safety Equipment

The Commission's approval is requested to amend Iowa Administrative Code section 571—37.6(2), Boating Safety Equipment - "Vessels not powered by motor or sail."

The Commission approved Notice of Intended Action for this item at the December 13, 2007, meeting.

The amendment will modify visibility requirements for vessels not powered by motor or sail; will exclude some rivers from the rules regarding such vessels; and will add a requirement to make such vessels apparent in the event that light is obscured.

Notice of Intended Action was published January 16, 2008 as ARC 6539B. Public comments were accepted on or before February 5, 2008. No public comments were received and no changes were made to the Notice of Intended Action.
