

MOTIVATED AND OUTGOING ADULT WOMEN NEEDED!

Outdoor Journey for Girls **2010** is coming up and we are looking for Mentor/Chaperones.

Outdoor Journey is a unique outdoor education opportunity that introduces 12-15 year old girls to some of the many outdoor activities available here in Iowa in a supportive, learning environment. Adult Mentor/Chaperones accompany and are responsible for a small group of young participants throughout the 3-day camp experiences.

There are three camps to choose from each summer: The western programs will be held at the Iowa Department of Natural Resource's Springbrook Conservation Education Center near Guthrie Center in June and August; the eastern program will be held at Hickory Hills near Waterloo in July.

Mentor/Chaperones receive a three-day all expenses paid (food and lodging) vacation while enjoying the great outdoors with young adults from all over the state of Iowa. Best of all, everyone learns and has fun!

If you would like to join us, please fill out the form on the back/second page and a representative will be in touch. If you have questions or would like more information, please see the Iowa Department of Natural Resources website at <http://www.iowadnr.gov/oj/index.html> or contact Outdoor Journey Coordinator Donise Grygierczyk at 515-205-8709 OutdoorJourney@dnr.iowa.gov.
