

June 16-18, 2010 – western Iowa or July 13-15, 2010 – eastern Iowa or August 4-6, 2010 – western Iowa

Outdoor Journey is a unique outdoor education opportunity that allows participants to experience many activities that are available in the great outdoors of Iowa and to become aware of the state’s great diversity. The western programs are held at the Springbrook Conservation Education Center near Guthrie Center; the eastern program will be held at Hickory Hills near Waterloo. Activities are led by experts in their field, which allows the participants to leave with a newfound confidence in new activities. Outdoor Journey is sponsored through a partnership of Pheasants Forever, Iowa Women in Natural Resources and the Iowa DNR.
