These Deer Management hunts are restricted to **YOUTH** and/or **DISABLED** hunters only. To be considered for this hunt you or your parent/guardian must fill out the information sheet below. The acceptable age will be set at **10 years or older**, anyone that is between the ages of 10 to 12 will need to be approved by the Park Ranger. Anyone who is 12 years or older is strongly recommended to have **hunters education**, but will **not be required**. I also recommend that anyone who is applying for this hunt and is disabled or handicapped please contact me and I would like to talk about what accommodations will be needed for you to hunt. The youth hunt will be a **mentored** hunt. If a youth hunter would like to have a family member or friend as their mentor then circle the mentor **yes** box. The mentor will need to be a person who is 18 years or older and possesses a 2009 hunting license. If the youth does not have a mentor please circle the mentor **no** box. I will then provide a mentor for the hunter. A safety meeting will be required before participating in the hunt. The meeting will be Sunday November 8<sup>th</sup> 2009 1:00pm at the Rock Creek State Park Office. If you have a conflict with the set dates please circle **no** and give a reason or alternate dates and I will try to work around the conflict.
