

## Material Information

**Material:** Fly and Insect Killer

**Potential Hazards:** May contain baygon, dichlorvos, pyrethrins. Harmful if swallowed, inhaled or absorbed through skin; flammable.

**Recycle / Reuse:** If you have leftover products in usable condition check with neighbors, church groups or the local community to see if they can use them. You may also take them to your local Regional Collection Center's swap shop for other residents to use.

**Proper Disposal:** Use this product up or take it to your local Regional Collection Center.

**Green Alternatives:** Remove food and water from open places so flies do not have a food source. Use traps for yellow jackets or have nests physically removed.
