

Material Information

Material: Model Glue

Potential Hazards: Model glue may contain toluene or styrene. It may be flammable and vapors are harmful. Avoid skin or eye contact and inhalation of vapors.

Recycle / Reuse: If you have leftover glue in usable condition, check with neighbors, church groups or the local community to see if they can use it. You may also take it to your local Regional Collection Center's swap shop for other residents to use.

Proper Disposal: Use this product up or take it to your local Regional Collection Center.

Green Alternatives: Many hobby stores sell non-toxic glues; check your local retailers for green alternatives.
