

Material Information

Material: Varnish and Laquer

Potential Hazards: May contain alcohols and turpentine. These materials are flammable, their vapors are harmful, and they are harmful or fatal if swallowed.

Recycle / Reuse: If you have leftover products in usable condition, check with neighbors, church groups or the local community to see if they can use them. You may also take them to your local Regional Collection Center's swap shop for other residents to use.

Proper Disposal: Use this product up or take it to your local Regional Collection Center.

Green Alternatives: Look for stains made from natural ingredients and oils.
