

Amendment 2
Request for Qualifications:
Environmental Management System Pilot Program Consultant

The closing date for receipt of qualifications has been extended by one week:

G. Deadlines

The Department must receive qualifications at the Department office before 4:00 P.M., central time, April 17, 2009. **This is a mandatory requirement and will not be waived by the Department. Any qualifications received after this deadline will be rejected and returned unopened to the vendor.** Vendors mailing qualifications must allow ample mail delivery time to ensure timely receipt of their qualifications. It is the vendor's responsibility to ensure that the qualifications are received prior to the deadline. Postmarking by the due date will not substitute for actual receipt of the qualifications. Electronic mail and faxed qualifications will be accepted.
