Section 2 – Applicability and Compliance Status

1. Is monthly gasoline throughput at this facility 100,000 gallons or more? Yes No

Note: If you answered NO to Question 1, STOP. You do not need to submit this form. If you answered YES to Question 1, complete the form and submit as directed on the second page.

2. Has a vapor recovery system been installed? Yes No
3. Is it dual point or single point/coaxial? Dual Single/coaxial
4. When was it installed? Date: _____
5. If the vapor recovery system is single point/coaxial, is the system equipped with a poppet valve (or equivalent device which seals upon disconnect)? Yes No N/A
6. Have the following tests been performed: 1) Leak Rate and Cracking Pressure of Pressure/Vacuum Vent Valves and 2) Static Pressure Performance of Vapor Recovery Systems? Yes No
7. When was this testing completed? Date: _____
8. Did test results demonstrate compliance with Subpart 6C requirements? Yes No

Note: If you answered NO to Question 2, 5, 6, or 8 above, please complete and submit a Compliance Schedule. There is a form available for this purpose at <http://www.iowadnr.gov/air/prof/NESHAP/> under the heading "Gasoline NESHAP."

* Subpart 6C requires submittal of a Notification of Compliance Status, but there are conflicting due dates in the rule. EPA proposed amendments on December 15, 2009 to clarify the due date, as well as other ambiguous rule requirements, but final rule amendments have not yet been promulgated. DNR is asking facilities to submit a "6C Compliance Information" form by March 11, 2011. Facilities that submit this completed form will not be required to submit a separate Notification of Compliance Status to DNR.

Section 3 – Certification

Responsible Official Certification		
<input type="checkbox"/> I certify the truth, accuracy, and completeness of this notification.		
Responsible Official Name	Responsible Official Signature	Date

Note: Responsible official is defined under §63.2 as any of the following: the president, vice-president, secretary, or treasurer of the company that owns the plant; the owner of the plant; the plant engineer or supervisor; a government official if the plant is owned by the Federal, State, city, or county government; or a ranking military officer if the plant is located on a military installation.

Section 4 – Submittal Instructions

Submit this form to the following agency(ies):

- Iowa Department of Natural Resources, NESHAP Coordinator, 7900 Hickman, Suite 1; Windsor Heights, IA, 50324
Note: The completed, signed form may also be submitted by faxing to 515-242-5094, or emailing to diane.brockshus@dnr.iowa.gov
- If the facility is located in Linn County, this notification shall also be submitted to:
Linn County Public Health - Air Quality Division
501 13th Street NW; Cedar Rapids, IA 52405
- If the facility is located in Polk County, this notification is not required to be submitted to DNR or to the Polk County Air Quality Division, because operating permits have been issued to all large gasoline dispensing facilities in Polk County.

Note for companies with multiple locations: Companies may submit one 6C Compliance Information form signed by the Responsible Official, and attach a table or spreadsheet summarizing the general information, 6C applicability, and compliance status for each facility.
