e. Give examples and describe the importance of cultural unity and diversity within and across groups.			n/c

Key to Symbols:

- Concept is a main focus of the activity
- Concept is addressed in the activity

- ⊙ Concept is part of the focus of the activity
- n/c no correlation for early grades

II. TIME, CONTINUITY, AND CHANGE	Project WILD/WILD Aquatic Section	Activity Guide, Title & Symbol	Grade(s)
a. Demonstrate and understanding that different people may describe the same event or situation in diverse ways, citing reasons for the differences in views.			n/c
b. Demonstrate an ability to use correctly vocabulary associated with time such as past, present, future, and long ago; read and construct simple timelines; identify examples of change; and recognize examples of cause and effect relationships.			n/c
c. Compare and contrast different stories or accounts about past events, people, places, or situations, identifying how they contribute to our understanding of the past.			n/c
d. Identify and use various sources for reconstructing the past, such as documents, letters, diaries, maps, textbooks, photos, and others.			n/c
e. Demonstrate an understanding that people in different times and places view the world differently.	Social & Political Knowledge	WILD, Make a Coat! ○	K – 4
f. Use knowledge of facts and concepts drawn from history along with elements of historical inquiry, to inform decision-making about and action-taking on public issues.			n/c

Key to Symbols:

- Concept is a main focus of the activity
- Concept is addressed in the activity

- ⊙ Concept is part of the focus of the activity
- n/c no correlation for early grades

III. PEOPLE, PLACES, & ENVIRONMENTS	Project WILD/WILD Aquatic Section	Activity Guide, Title & Symbol	Grade(s)
a. Construct and use mental maps of locales, regions, and the world that demonstrate understanding of relative location, direction, size, and shape.	Ecological Knowledge	WILD, What Bear Goes Where? ●	K – 4
	Social & Political Knowledge	WILD Aquatic, Water We Eating ○	K - 4
b. Interpret, use, and distinguish various representations of the earth, such as maps, globes, and photographs.			n/c
c. Use appropriate resources, data sources, and geographic tools such as atlases, data bases, grid systems, charts, graphs, and maps to generate, manipulate, and interpret information.	Ecological Knowledge	WILD Aquatic, Sockeye Scents ●	3 - 4
d. Estimate distance and calculate scale.			n/c
e. Locate and distinguish among varying landforms and geographic features, such as mountains, plateaus, islands, and oceans.	Ecological Knowledge	WILD Aquatic, Sockeye Scents ●	3 - 4
f. Describe and speculate about physical system changes such as seasons, climate and weather, and the water cycle.			n/c
g. Describe how people create places that reflect ideas personality, culture, and wants and needs as they design homes, playgrounds, classrooms, and the like.	Ecological Knowledge	WILD, Everybody Needs a Home ●	K – 4
		WILD, What’s That, Habitat? ○	K - 4

Key to Symbols:

- Concept is a main focus of the activity
- Concept is addressed in the activity

- ⊙ Concept is part of the focus of the activity
- n/c no correlation for early grades

III. PEOPLE, PLACES, & ENVIRONMENTS	Project WILD/WILD Aquatic Section	Activity Guide, Title & Symbol	Grade(s)
h. Examine the interaction of human beings and their physical environment, the use of land, building of cities, and ecosystems changes in selected locales and regions.	Ecological Knowledge Social & Political Knowledge Sustaining Fish & Wildlife Resources	WILD Aquatic, Sockeye Scents ○ WILD Aquatic, Water We Eating ⊙ WILD, Ethi-Thinking ● WILD, Playing Lightly on the Earth ● WILD, Too Close for Comfort WILD Aquatic, Plastic Jellyfish ●	3 - 4 K- 4 K- 4 Pre-K - 4 K- 4 K- 4
i. Explore ways that the earth's physical features have changed over time in the local region and beyond and how these changes may be connected to one another.			n/c
j. Observe and speculate about social and economic effects of environmental changes and crises resulting from phenomena such as floods, storms, and drought.			n/c
k. Consider existing uses and propose and evaluate alternative uses of resources and land in home, school, community, the region, and beyond.	Sustaining Fish & Wildlife Resources	WILD, Ethi-Thinking ⊙ WILD, Playing Lightly on the Earth ⊙ WILD Aquatic, Plastic Jellyfish ⊙	K- 4 Pre-K - 4 K- 4
IV. INDIVIDUAL DEVELOPMENT & IDENTITY	Project WILD/WILD Aquatic Section	Activity Guide, Title & Symbol	Grade(s)
a. Describe personal changes over time, such as those related to physical development and personal interest.			n/c
b. Describe personal connections to place - especially place as associated with immediate surroundings.	Ecological Knowledge Sustaining Fish & Wildlife Resources	WILD, Everybody Needs a Home ○ WILD, Ethi-Thinking ○ WILD, Playing Lightly on the Earth ○	K- 4 K- 4 Pre-K - 4

Key to Symbols:

- Concept is a main focus of the activity
- Concept is addressed in the activity

- ⊙ Concept is part of the focus of the activity
- n/c no correlation for early grades

IV. INDIVIDUAL DEVELOPMENT & IDENTITY	Project WILD/WILD Aquatic Section	Activity Guide, Title & Symbol	Grade(s)
c. Describe the unique features of one's nuclear and extended families.			n/c
d. Show how learning and physical development affect behavior.			n/c
e. Identify and describe ways family, groups, and community influence the individual's daily life and personal choices.			n/c
f. Explore factors that contribute to one's personal identity such as interests, capabilities, and perceptions.			n/c
g. Analyze a particular event to identify reasons individuals might respond to it in different ways.			n/c
h. Work independently and cooperatively to accomplish goals.		The majority of WILD/WILD Aquatic activities involve cooperative learning as well as independent investigation opportunities.	K - 4
V. INDIVIDUALS, GROUPS, & INSTITUTIONS	Project WILD/WILD Aquatic Section	Activity Guide, Title & Symbol	Grade(s)
a. Identify roles as learned behavior patterns in group situations such as student, family member, peer play group member, or club member.			n/c
b. Give examples of and explain group and institutional influences such as religious beliefs, laws, and peer pressure, on people, events, and elements of culture.	Social & Political Knowledge	WILD, Saturday Morning Wildlife Watching ☉	K - 4
c. Identify examples of institutions and describe the interactions of people with institutions.			n/c

Key to Symbols:

- Concept is a main focus of the activity
- Concept is addressed in the activity
- ☉ Concept is part of the focus of the activity
- n/c no correlation for early grades

V. INDIVIDUALS, GROUPS, & INSTITUTIONS	Project WILD/WILD Aquatic Section	Activity Guide, Title & Symbol	Grade(s)
d. Identify and describe examples of tensions between and among individuals, groups, or institutions, and how belonging to more than one group can cause internal conflicts.			n/c
e. Identify and describe examples of tension between an individual's beliefs and government policies and laws.			n/c
f. Give examples of the role of institutions in furthering both continuity and change.			n/c
g. Show how groups and institutions work to meet individual needs and promote the common good, and identify examples of where they fail to do so.			n/c
VI. POWER, AUTHORITY, & GOVERNANCE	Project WILD/WILD Aquatic Section	Activity Guide, Title & Symbol	Grade(s)
a. Examine the rights and responsibilities of the individual in relation to his or her social group, such as family, peer group, and school class.	Sustaining Fish & Wildlife Resources	WILD Aquatic, Plastic Jellyfish ○	K-4
b. Explain the purpose of government.			n/c
c. Give examples of how government does or does not provide for needs and wants of people, establish order and security, and manage conflict.			n/c
d. Recognize how groups and organizations encourage unity and deal with diversity to maintain order and security.			n/c
e. Distinguish among local, state, and national government and identify representative leaders at these levels such as mayor, governor, and president.			n/c

Key to Symbols:

- Concept is a main focus of the activity
- Concept is addressed in the activity

- ⊙ Concept is part of the focus of the activity
- n/c no correlation for early grades

VI. POWER, AUTHORITY, & GOVERNANCE	Project WILD/WILD Aquatic Section	Activity Guide, Title & Symbol	Grade(s)
f. Identify and describe factors that contribute to cooperation and cause disputes within and among groups and nations.			n/c
g. Explore the role of technology in communications, transportation, information processing, weapons development, or other areas as it contributes to or helps resolve conflicts.			n/c
h. Recognize and give examples of the tensions between the wants and needs of individuals and groups, and concepts such as fairness, equity, and justice.			n/c
VII. PRODUCTION DISTRIBUTION & CONSUMPTION	Project WILD/WILD Aquatic Section	Activity Guide, Title & Symbol	Grade(s)
a. Give examples that show how scarcity and choice govern our economic decisions.			n/c
b. Distinguish between needs and wants.	Ecological Knowledge	WILD Aquatic, Sockeye Scents ○	3 - 4
c. Identify examples of private and public goods and services.			n/c
d. Give examples of the various institutions that make up economic systems such as families, workers, banks, labor unions, government agencies, small businesses, and large corporations.			n/c
e. Describe how we depend upon workers with specialized jobs and the ways in which they contribute to the production and exchange of goods and services.	Social & Political Knowledge	WILD Aquatic, Water We Eating ⊙	K - 4

Key to Symbols:

- Concept is a main focus of the activity
- Concept is addressed in the activity

- ⊙ Concept is part of the focus of the activity
- n/c no correlation for early grades

VII. PRODUCTION DISTRIBUTION & CONSUMPTION	Project WILD/WILD Aquatic Section	Activity Guide, Title & Symbol	Grade(s)
f. Describe the influence of incentives, values, traditions, and habits on economic decisions.			n/c
g. Explain and demonstrate the role of money in everyday life.			n/c
h. Describe the relationship of price to supply and demand.			n/c
i. Use economic concepts such as supply, demand, and price to help explain events in the community and nation.			n/c
j. Apply knowledge of economic concepts in developing a response to a current local economic issue, such as how to reduce the flow of trash into a rapidly filling landfill.	Sustaining Fish & Wildlife Resources	WILD Aquatic, Plastic Jellyfish ⊙	K-4
VIII. SCIENCE, TECHNOLOGY, & SOCIETY	Project WILD/WILD Aquatic Section	Activity Guide, Title & Symbol	Grade(s)
a. Identify and describe examples in which science and technology have changed the lives of people, such as in homemaking, childcare, work, transportation, and communication.			n/c
b. Identify and describe examples in which science and technology have led to changes in the physical environment, such as the building of dams and levees, offshore oil drilling, medicine from rain forests, and loss of rain forests due to extraction of resources or alternative uses.	Sustaining Fish & Wildlife Resources	WILD Aquatic, Plastic Jellyfish ⊙	K-4

Key to Symbols:

- Concept is a main focus of the activity
- Concept is addressed in the activity

- ⊙ Concept is part of the focus of the activity
- n/c no correlation for early grades

VIII. SCIENCE, TECHNOLOGY, & SOCIETY	Project WILD/WILD Aquatic Section	Activity Guide, Title & Symbol	Grade(s)
c. Describe instances in which changes in values, beliefs, and attitudes have resulted from new scientific and technological knowledge, such as conservation of resources and awareness of chemicals harmful to life and the environment.			n/c
d. Identify examples of laws and policies that govern scientific and technological applications, such as the Endangered Species Act and environmental protection policies.	Sustaining Fish & Wildlife Resources	WILD Aquatic, Plastic Jellyfish ○	K-4
e. Suggest ways to monitor science and technology in order to protect the physical environment, individual rights, and the common good.			n/c
IX. GLOBAL CONNECTIONS	Project WILD/WILD Aquatic Section	Activity Guide, Title & Symbol	Grade(s)
a. Explore ways that language art, music, belief systems, and other cultural elements may facilitate global understanding or lead to misunderstanding.			n/c
b. Give examples of conflict, cooperation, and interdependence among individuals, groups, and nations.			n/c
c. Examine the effects of changing technologies on the global community.			n/c

Key to Symbols:

- Concept is a main focus of the activity
- Concept is addressed in the activity

- ⊙ Concept is part of the focus of the activity
- n/c no correlation for early grades

IX. GLOBAL CONNECTIONS	Project WILD/WILD Aquatic Section	Activity Guide, Title & Symbol	Grade(s)
d. Explore causes, consequences, and possible solutions to persistent, contemporary, and emerging global issues, such as pollution and endangered species.	Sustaining Fish & Wildlife Resources	WILD Aquatic, Plastic Jellyfish⊙	K-4
e. Examine the relationships and tensions between personal wants and needs and various global concerns, such as use of imported oil, land use, and environmental protection.			n/c
f. Investigate concerns, issues, standards, and conflicts related to universal human rights, such as the treatment of children, religious groups, and effects of war.			n/c
X. CIVIC IDEALS & PRACTICES	Project WILD/WILD Aquatic Section	Activity Guide, Title & Symbol	Grade(s)
a. Identify key ideals of the United States' democratic republican form of government, such as individual human dignity, liberty, justice, equality, and the rule of the law, and discuss their application in specific situations.			n/c
b. Identify examples of rights and responsibilities of citizens.			n/c
c. Locate, access, organize, and apply information about an issue of public concern from multiple points of view.			n/c
d. Identify and practice selected forms of civic discussion and participation consistent with the ideals of citizens in a democratic republic.			n/c
e. Explain actions citizens can take to influence public policy decisions.	Sustaining Fish & Wildlife Resources	WILD Aquatic, Plastic Jellyfish ○	K-4

Key to Symbols:

- Concept is a main focus of the activity
- Concept is addressed in the activity

- ⊙ Concept is part of the focus of the activity
- n/c no correlation for early grades

X. CIVIC IDEALS & PRACTICES	Project WILD/WILD Aquatic Section	Activity Guide, Title & Symbol	Grade(s)
f. Recognize that a variety of formal and informal actors influence and shape public policy.			n/c
g. Examine the influence of public opinion on personal decision-making and government policy on public issues.			n/c
h. Explain how public policies and citizen behaviors may or may not reflect the stated ideals of a democratic republican form of government.			n/c
i. Describe how public policies are used to address issues of public concern.			n/c
j. Recognize and interpret how the common good can be strengthened through various forms of citizen action.			n/c

Key to Symbols:

- Concept is a main focus of the activity
- Concept is addressed in the activity

- ⊙ Concept is part of the focus of the activity
- n/c no correlation for early grades
