

This bulletin board will allow you to pick and choose from State Parks in Iowa. Use the list below to pick parks you would like to include in your bulletin board. Cut out the park name. Then mark them on an Iowa map. Pick a few parks to provide more information about. For more information on each park visit

http://www.iowadnr.gov/parks/state_park_list/index.html or
<http://www.stateparks.com/ia.html>

You can also use this as an interactive bulletin board. Have students mark the state parks and forests that they have visited. They can even add to the list of activities that you can do at these places.

Print pages 2 on of this document and put your bulletin board together! There is a photo to give you an idea of what your board may look like.
