

**Stream & Watershed Integrated Management (SWIM)
Workshop Registration Form**
Registration Deadline: June 13, 2011

The 2011 Stream & Watershed Integrated Management (SWIM) Workshop will be held July 12-14, 2011 at Springbrook Conservation Education Center. The registration fee for the workshop is \$95.00. This fee covers materials, lodging & two breakfasts, three lunches, two dinners, and break refreshments. The workshop will start at 9 AM Tuesday July 12. It is possible for participants to arrive on Monday night (breakfast will be on your own Tuesday AM). Lodging will be in dorms, they are air conditioned. Bedding and towels will be provided.

The workshop will include indoor classroom sessions along with field experiences on two days of the workshop. These activities are planned in and around streams. Clothing and footwear that can get wet and muddy are a must. Rubber boots or hip waders are recommended, but old tennis shoes will work as well. It is also recommended that you bring a hat, sunscreen, bug spray, rain gear & water bottle. Due to the need to carpool to field sites we are asking participants that are able to provide a higher capacity vehicle to do so.

Please type in your information and then print out your form
