Iowa Forestry Best Management Practices must be followed. An Iowa Forestry Best Management Practices Guide is available from the DNR's website at <http://www.iowadnr.gov/forestry/bmps.html>. Streams, roads and trails shall remain free of logging debris.

Motor vehicles and logging equipment shall be operated only in designated areas. All logs shall be skid on designated trails, and decked and loaded in designated areas. All skid trails and decking areas shall be returned to satisfactory condition by Timber Buyer once the operation is complete.

**Proposed Project Schedule:**

**Submission of Proposals:** Proposals shall include a bid proposal including the total amount bid for the offered timber, signature, date, printed name and organization name of the Timber Buyer on the enclosed bid proposal form.

Bids will be accepted from all perspective buyers. Buyers not bonded by the State of Iowa will be required to become bonded before a timber sale contract is awarded.

Timber Buyers shall submit proposals to DNR at the following address:

Any proposal received after this deadline will be rejected and returned to the Timber Buyer. The costs of preparation and delivery of the bid proposal are solely the responsibility of the Timber Buyer.

From the date of issuance of this Notice of Timber for Sale until announcement of the successful Timber Buyer, Timber Buyers may not contact any employee of the State of Iowa about this Bid Notice other than the identified contact person. **Payment:**

The successful Timber Buyer shall make full payment and sign a Contract within 14 days of receipt of Contract from DNR. No cutting of timber will be permitted until the Contract has been signed and full payment made to DNR.

**Acceptance of Contract Terms and Conditions:**

By submitting a proposal, each Timber Buyer acknowledges its acceptance of the terms and conditions of the contract located at <http://www.iowadnr.gov/forestry/timbersales.html> . If a Timber Buyer takes exception to a provision, it must state the reason for the exception and set forth in its proposal the specific contract language it proposes to include in place of the provision. Exceptions that materially change these terms or the requirements of this Notice of Timber for Sale may be deemed non-responsive by the DNR, as determined in its sole discretion, resulting in possible disqualification of Timber Buyer's proposal. With regard to the contract, DNR and the successful Timber Buyer may agree to modifications to the terms of the contract as necessary to negotiate the terms of a contract. A Timber Buyer's failure to state an exception to any provision and propose alternative language may be deemed by the DNR to constitute Timber Buyer's acceptance thereof. DNR reserves the right to refuse to enter into a contract with the successful Timber Buyer for any reason, even after delivery of notice of selection or intent to award a contract.

**Miscellaneous Information:** The DNR reserves the right to reject any or all proposals, in whole or in part, to advertise for new proposals, and to cancel this Notice at any time prior to the execution of the written contract.
