All confinement feeding operations required to submit an MMP update must pay an annual compliance fee. This fee is due only with the MMP annual update. The instructions to calculate the fee are as follows:

**INSTRUCTIONS:**

- 1) To calculate the **Animal Unit Capacity (AUC)** of the operation, multiply the maximum number of each animal species confined at one time by the appropriate factor indicated below, then add all animal units together:  
**AUC = (No. of HEAD) X (FACTOR)**

| ANIMAL SPECIES                             | (No. HEAD) | *(FACTOR) | AUC |
|--|------------|-----------|-----|
| Slaughter or feeder cattle                 |            | 1.0       |     |
