

# RECYCLE USED OIL

## Recycling used motor oil

- ▶ Conserves energy
- ▶ Reuses limited resources
- ▶ Protects Iowa's drinking and recreational waters

State law prohibits disposal of waste motor oil in a landfill or its deposit and discharge into any state waterway. Used motor oil is a household hazardous material.

## Used motor oil collection location(s)

**YOU DUMP IT,  
YOU DRINK IT.**

**KEEP  
YOUR USED  
MOTOR OIL OUT  
OF OUR WATER RESOURCES.**
