

IOWA WASTE EXCHANGE

Available Materials Hot Listing

(9/25/2007 - 3/26/2008)

The materials listed on this insert are available for reuse or recycling. By using the Iowa Waste Exchange, you may be able to save your company money. At the same time, you can help reduce waste and save natural resources. You may list available materials free-of-charge by contacting the Iowa Waste Exchange resource specialist in your area. To find the resource specialist in your area, visit <http://www.iowadnr.com/waste/iwe/files/areas.pdf>.

For more information about the materials listed below, see the columns marked "Contact" and "E-Mail" to contact the applicable Iowa Waste Exchange resource specialist. The Iowa Waste Exchange maintains a list of hundreds of available materials in addition to the "hot listing" below. If you don't see below an item you are looking for, please contact the resource specialist in your area for assistance in finding the item(s) you are seeking.

The Iowa Waste Exchange is one of the nation's premiere materials exchange programs. This no-cost, non-regulatory, confidential service matches institutions that have by-products and waste with other groups interested in using or recycling those materials. The program helps businesses, schools, hospitals, and communities save disposal money and protect the environment by reducing, reusing, and recycling materials.

For more information, visit our Web site www.iowadnr.com or call (515) 281-5918.
