Re: Supplemental Comments on Alternative Liner Memorandum

Dear Jeff:

On behalf of Boone County, I want add these additional comments to those I submitted on March 14, 2005.

Please note that in addition to the general comments previously submitted, Boone County endorses the technical comments filed by Fox Engineering. Therefore, their technical comments also serve as ours as well.

Once again, we appreciate the opportunity to provide the Department with comments. Please do not hesitate to contact me if you have any questions concerning our support.

Sincerely,

Scott Smith, Landfill Administrator/Recycling Coordinator  
Boone County Landfill
