## **WASTEWATER RULES DELAYED**

The Administrative Rules Review Committee (ARRC) of the Iowa Legislature held a special meeting on April 8, 2009 to determine whether or not to delay certain portions of ARC 7625B (Chapters 60, 62, 63, 64 of the wastewater rules), as published in the Iowa Administrative Bulletin March 11, 2009. The ARRC decided to delay 8 of the 74 items in the final rule. The delayed items are 2, 27, 33, 34, 35, 36, 37, and 38. The delayed portions include the definitions in Chapter 60, the bypass language in Chapter 63, and all of the monitoring tables in Chapter 63. These portions of the rule will not be effective on April 15, 2009. However, the remainder of the rules will be effective on April 15. The ARRC will have its next meeting on April 28, 2009 where they will discuss the delayed portions of the wastewater rules. For more information on which portions of the rules have been delayed, please contact Courtney Cswercko at [courtney.cswercko@dnr.iowa.gov](mailto:courtney.cswercko@dnr.iowa.gov) or 515-281-7206.
