General Information

- All participants must be registered with the Scholastic Clay Target Program and have all team, coach and participant paperwork on file with the SCTP before registering for any League or Championship Events.
- Shotguns with release triggers or exposed hammers are not allowed at Iowa SCTP League or Championship events.
- As stated in the National SCTP Handbook, ear buds designed to listen to music (either Bluetooth or corded) are not allowed in SCTP practices or competitions.
- Use of tobacco or alcohol is prohibited for all contestants, coaches and spectators during the course of events or awards ceremonies.
- Athlete transfer process: While it is preferred that an athlete competes for their “home” team, the SCTP does allow a one time transfer for an athlete. Any athlete transfer request must come from the current head coach to the DNR Shooting Sports Coordinator, who will then determine the next closest team that will accept that student athlete. Any athlete transferring teams midseason will lose any existing league scores. The athlete’s league scores will be based only on those scores earned with the new team.

League Information

- The governing rules for leagues are those of the SCTP and the applicable National Governing Body.
- All events must be between two or more registered SCTP teams.
- All events must be published on the SCTP SHOT system 7 days prior to the event.
- All scores for teams and individuals must be posted to the SHOT system within 1 day of the conclusion of the event.
- Registered Shoots (ATA, NSSA, NSCA) can count toward league scores and be entered in SHOT under the following conditions:
  - The registered event is entered in SHOT at least 7 days prior to the event.
  - Registration is closed in SHOT at least the night before the event in order for targets to be used for SCTP purposes.
  - An athlete must be registered for the event on SHOT in order for the targets to be used for SCTP.
  - There must be athletes from at least 2 different teams participating at the event.
  - The “host” coach must enter the scores into SHOT and is responsible for obtaining copies of the scoresheets from the host club for the SCTP athletes.
- League specific requirements can be found in this program for each league.
**Championship Information**

- Any applicable COVID related precautions will be communicated prior to each Championship Event.
- All participants must be registered with the SCTP program and have all team, coach and participant paperwork on file with the SCTP before registering for Championship Events.

- All athletes must have the respective National Governing Body and State Association membership paperwork completed prior to being squadded for a state championship event. Membership applications will not be accepted at the events.
- Entry fees must be paid at the time of registration, with one check for all team entry fees. Fees must be paid prior to taking the field. No refunds once entry fees have been paid.
- Any team needing an invoice to pay from for Championship events, must request it by the close of the registration period for that event.
- All squads must be at their assigned field/trap and ready to take the field when the previous squad finishes. Squads may be moved to an alternate field at the shoot director’s discretion to facilitate timely completion of the event. Late squads will be bumped until the end of the day unless another field opens up and you are moved by management.
- No coaching of athletes while on the field or at a shooting station.
- Shoot management reserves the right to alter/change the shoot program at any time, for any reason.

Any ties for 1st or 6th place will be determined through shoot-offs at the last of these three events, which in 2022 will be the Skeet Championships.

- Ladies Awards (1st-6th place)
