Re: REMINDER – 2021 Title V Emissions Inventory and other Title V Reporting Requirements

This letter is to remind you of the upcoming 2021 Title V Emissions Inventory and other reporting requirements due for facilities subject to Title V of the federal Clean Air Act. Please note that your facility may have additional reporting requirements.

Title V Report	Due Date
Title V Emissions Inventory	March 31, 2022
Title V Emissions Fee Payment	July 1, 2022
Annual Compliance Certification	*March 31, 2022
Semi-Annual Monitoring Report	*March 31, 2022 & **September 30, 2022

* Required only if your initial Title V permit was issued prior to January 1, 2022.

** Required only if your initial Title V permit was issued prior to July 1, 2022.

To increase efficiency of and simplify emissions reporting, DNR requires that Title V sources report 2021 emissions electronically using the State & Local Emissions Inventory System (SLEIS). Please visit <https://www.iowadnr.gov/Environmental-Protection/Air-Quality/eAirServices> for additional information regarding SLEIS. A list of upcoming trainings is also enclosed.

Feel free to contact the following DNR staff if you have questions regarding any Title V reporting requirements:

Report	Contact	Email	Phone
Title V Emissions Inventory or Fee Payment	Nick Page	Nick.Page@dnr.iowa.gov	(515) 725-9544
