

Earth Day Scavenger Hunt

1 Find, but do NOT collect:

Nest...
Is it active?

Flying
insects

2

Stop and Listen: How many different birds can you hear?

Close your eyes! What other things do you hear?

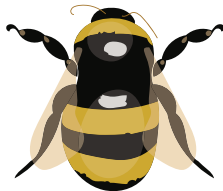

3 Look for:

Wildflowers

A tree with brand
new leaves

A pollinating
insect

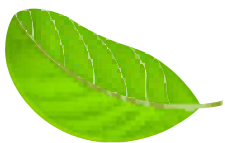

A seed...How does
it get to where it
will grow?

A doorway...Can
you tell if it has
been used?

4 Feel:

A fuzzy leaf

A smooth stone

Warmth of the sun

5

Find:

Something that does NOT belong
in nature. Recycle if you can.

**Happy Earth
Day!**
