SOLID WASTE ALTERNATIVES PROGRAM SMALL PROJECT APPLICATION GUIDELINES

The Solid Waste Alternatives Program – Small Project Application is limited to financial assistance requests of \$10,000 or less. This application is a streamlined application for projects that are generally smaller in scope.

The following information is provided to assist applicants in successfully completing a Small Project Application through the Solid Waste Alternatives Program (SWAP).

Purpose

The purpose of the Solid Waste Alternatives Program is to provide financial assistance to applicants implementing projects and programs leading to the reduction of solid waste generation and the diversion of solid waste from Iowa sanitary landfills.

How To Apply

Project applications are reviewed two times per year. To be considered for funding, your application must be received by 4:00pm on the following dates:

January 2 If either of these dates occurs on a weekend, proposals must be received by 4:00pm on the next
July 1 business day.

Applications must be submitted via email to:

Becky Jolly
becky.jolly@dnr.iowa.gov
515-725-8308

Program information, guidelines and fillable application forms can be downloaded at www.iowadnr.gov/SWAP.

Also available at this website are solid waste planning area descriptions and contacts to assist with Form E as well as access to the SWAP searchable database for information on past projects funded through SWAP.

Financial Assistance Awards

The information, guidelines and applications forms contained herein pertain to application requests of \$10,000 or less.

Information, guidelines and forms for applicant requests greater than \$10,000 can be found at www.iowadnr.gov/SWAP.

SWAP Process

1. Application submitted for funding consideration by the assigned deadline
2. Applications distributed to review committee members
3. Review committee members individually review applications and provide questions to the Program Manager for follow-up with the applicant(s)
4. Applicant responses are distributed to review committee members
5. Review committee members meet jointly to discuss submitted applications and make funding recommendations to the DNR
6. DNR reviews committee recommendations for approval

Eligibility

Eligible applicants have an interest in or responsibility for solid waste management in Iowa. Eligible applicants include:

Municipalities

Counties

Public institutions

Not-for-profit organizations

Private business

Individuals

In order to determine funding eligibility, the Department reserves the right to verify any information presented in the application and to determine the applicant's compliance status with applicable Local, State and Federal statutes and regulations. If an applicant is selected to receive financial assistance, an offer of financial assistance may be rescinded if the applicant is determined to be out of compliance with applicable Local, State and Federal regulations.

Eligible Expenses

Applicants may request financial assistance in the implementation and operation of a project that includes, but is not limited to, the following:

1. Waste reduction equipment purchase and installation including labor for installation;
2. Collection, processing, or hauling equipment including installation and labor for installation;
3. Education/public awareness materials development, distribution/posting, printing;
4. Planning and implementation of educational forums including, but not limited to, workshops and conferences;
5. Materials and labor for construction or renovation of buildings;
6. Salaries directly related to implementation and operation of the project (salaries are **not** a high funding priority)
7. Laboratory analysis costs; and
8. Engineering or consulting fees.

Ineligible Expenses

Financial assistance shall not be provided or used for costs including, but not limited to, the following:

1. Rent of facility or equipment used in daily operations;
2. Taxes;
3. Vehicle registration;
4. Overhead expenses;
5. Indirect costs;
6. Legal costs;
7. Contingency funds;
8. Application preparation
9. Agreement administration;
10. Land acquisition;
11. Office furniture, office computers, fax machine and other office furnishings/equipment;
12. Costs for which payment has or will be received under another federal, state or private financial assistance program; and
13. Costs incurred before a written agreement has been executed between the applicant and the Department.

Project Cost Share

Applicants are required to provide a minimum cash match of 25 percent (25%) for each budget line item in which SWAP funding is requested.

Project Types

The following project categories are a general description of project examples that are considered eligible for funding. This is a representative list of project types, **not** an all-inclusive list of project types. Projects must result in a decreased reliance on Iowa sanitary landfills for final disposal of materials.

- Source Reduction: Activities and actions that reduce the amount of waste generated.
- Research, Development and Demonstration: New processes that reduce the amount of waste produced or collection, processing or market development of re-manufactured new products.
- Collection / Processing: Activities that recover or transport materials or prepare materials for recyclable material markets.
- Composting / Anaerobic Digestion: Actions that facilitate the controlled biological decomposition of organic solid waste.
- Market Development: Activities that stimulate or increase the demand for recovered recyclables.
- Education: Projects that inform and instruct the public on waste management.

Completing the Application

All proposals will be reviewed based on the applicant's thoroughness in addressing identified evaluation criteria on Form B, Project Narrative. Points assigned to the evaluation criteria for each project type total 100 points.

This application may only be used if the applicant is requesting \$10,000 or less in funding assistance. If you are requesting more than \$10,000 in funding assistance, you **must** follow the standard Solid Waste Alternatives Program application guidelines and forms found at <http://www.iowadnr.gov/FABA> and click on Solid Waste Alternatives Program.

Program Requirements

Below are clarifications, suggestions and other general information to assist the applicant in successfully completing application materials. The information below is intended to provide guidance, not to be a comprehensive outline of all things an applicant should address.

Form A – Proposal Cover Sheet

- Amount of Applicant Cash Match Committed: Applicants are required to provide a minimum of 25% cash match for each budget line item in which SWAP funding assistance is requested.
- Facility Location: The physical location the proposed project will take place or based.
- Project Service Area Description: The geographical area directly impacted by the proposed project.

Form B – Project Narrative

- Provide a detailed narrative addressing the identified evaluation criteria
- The narrative is limited to 8 pages with a minimum text size of 12 point

Form C – Project Timetable

- Identify project tasks including start and end dates and the person(s) responsible for completing the identified tasks.
- Anticipate funding would be available approximately 2 months following the date of award.

Form D – Budget Summary

- List items for which funding assistance is requested.
- Applicants are required to provide a minimum of 25% cash match for each budget line item in which SWAP funding assistance is requested.
- Requested funding amount and applicant 25% cash match should equal the amounts shown on Form A.

- Applicants are encouraged to list and identify the value of other applicant match committed to the proposed project. Other applicant match may include cash, the value of existing assets necessary for the development and implementation of the proposed project, the value of volunteer services, etc.

Form D – Budget Narrative

- Provide a narrative that details specific expenditures and their role in the proposed project.
- Identify why the specific item(s) were selected.
