INFORMATION

Iowa residents who are nonambulatory may obtain a paid deer hunting license.

This form is an application for **eligibility only** to acquire a Resident Nonambulatory Deer Hunting License.

Residents who are **permanently nonambulatory** need to submit this form only one time. Once the criteria has been met, their Electronic License System of Iowa (ELSI) record will be updated indicating this eligibility, allowing them to purchase a Severely Disabled Deer Hunting License each year without recertifying.

Residents who are **temporarily nonambulatory** will need to resubmit the form each year they qualify and wish to purchase a license.

Do not send payment for the deer hunting license with this application for eligibility. Deer licenses may be purchased beginning Aug. 15 at any ELSI license vendor.

HOW TO APPLY

- Read the definition of “nonambulatory person” to determine if you qualify.
- Refer to Iowa Code 483A.1A(8-10) and Administrative Code 571-15.2 to be certain you are a resident for purposes of obtaining a resident deer license.
- Fill out the application on the reverse side.
- Have your physician complete the “Physician’s Certification” portion and provide a medical statement on 8 ½” x 11” letterhead stationery.
- Either fax or mail the application form, including the Physician’s Certification and letterhead stationery statement, to the DNR central office in Des Moines by 4:30pm CST at least five (5) working days prior to applying for or purchasing the deer license. The FAX number is 515-725-8201. The DNR office address is at the top of this form. You may also submit this application electronically by emailing your completed application and

documents to Webmaster@dnr.iowa.gov or logging in at www.GoOutdoorsIowa.com and uploading your application and documents to your customer account.

- Permittees may then obtain the Resident Nonambulatory Deer Hunting License through the Electronic Licensing System for Iowa (ELSI) at an ELSI license vendor, the telephone order system, or Internet license sales Web site (see www.iowadnr.gov).

LEGAL WEAPONS AND SEASON

PUBLIC RECORD

After a privilege has been issued, limited recipient information will become part of the Natural Resources Commission official public record.
