When ordering by mail, please DO NOT send money with your order. An invoice will be mailed to you. Checks, Visa, Discover and MasterCard are accepted.

TO PURCHASE you must agree:

- To plant and use the nursery stock requested upon the described property for establishing or improving existing forests, erosion control, game or water conservation with these restrictions;
- To NOT resell or give these plants away with roots attached, to any person, firm, corporation or agency, nor to plant any of them for a farmstead windbreak, shade or ornamental purposes;
- To protect all plantings from fire and domestic livestock grazing;
- To forfeit for destruction any trees planted or used in violation of the above restrictions.

CLAIMS for any cause must be made to the nursery manager and may require a local forester to inspect the tree planting. We give no warranty, expressed or implied, as to the success rate of the seedlings. Claims are handled on a case by case basis

SHIPPING You may choose the week you would like to have your order shipped. Fall shipments start the last week of October and spring shipments start the first week of April. Weeks in April will become full as we have a limit of how many trees we can ship per week. Once your shipment week is confirmed, we will do everything possible to ship your order during that week, although weather may occasionally make it impossible. ORDERS must be paid in full before they will be shipped. Please leave a note for the delivery company where to leave the trees so they will not be left in the sun.

PICK UP AT THE NURSERY IN AMES You may also pick up your order. Orders must be paid in full before they can be picked up. Please call at least 48 hours before coming to pick up your trees as weather may make it impossible to fill your order.
