IOWA DEPARTMENT OF NATURAL RESOURCES
INDUSTRIAL WASTEWATER USER SURVEY

If you have questions on this form, please contact Julie Faas; julie.faas@dnr.iowa.gov or 515-725-8409.

Section A: General Information
1. Company Name: _______________________________________________________________
2. Mailing Address:
   Street: ___________________________________________ State: ________________ Zip: ____________
   City: ________________
3. Physical Address: (☐ same as above)
   Street: ___________________________________________ State: ________________ Zip: ____________
   City: ________________
4. Website: ________________________________________________________________
5. Contact Person:
   Name: ___________________________________ Title: ____________________________
   Email: ___________________________________ Phone: ________________________
6. Nature of business, including manufacturing activities or service activities on the premises:

7. List the SIC or NAICS codes that apply to the facility. You can look up NAICS or SIC codes at
   https://www.naics.com/search/:
   ___________ ___________ ___________

Section B: Wastewater Characteristics
1. Describe how water is used in manufacturing or clean-up on the premises:

2. Do you discharge non-domestic wastewater? Non-domestic wastewater is all wastewater coming from sources other than toilets, hand sinks, and showers.
   ☐ Yes – to sanitary sewer ☐ No – wastewater is hauled to a treatment facility
   ☐ Yes – to storm sewer or surface water ☐ No – there is no non-domestic wastewater

3. Do you discharge any wastewater that comes into contact with your raw materials, intermediate product, or final product? (Contact wastewater)
   ☐ Yes – to sanitary sewer ☐ No – wastewater is hauled to a treatment facility
   ☐ Yes – to storm sewer or surface water ☐ No – there is no contact wastewater

02/2022 cmc
4. Do you discharge any non-contact cooling water or boiler blowdown?

- Yes – to sanitary sewer
- Yes – to storm sewer or surface water

- No – wastewater is hauled to a treatment facility
- No – there is no non-contact cooling or boiler blowdown

5. If you haul wastewater, list the receiving facility or facilities:

6. How much non-domestic wastewater have you discharged over the past 6 months? (estimates are okay)

<table>
<thead>
<tr>
<th>Type of wastewater</th>
<th>Average (gallons/day)</th>
<th>Maximum (gallons/day)</th>
</tr>
</thead>

</tr>
</tbody>
</table>

7. Do you have any pretreatment of your wastewater?

- No pretreatment
- Yes – check all applicable devices

- Grease trap
- Oil/water separator
- Filtration
- Sedimentation
- Centrifuge
- Screening
- Other: ____________________________

- Flow equalization
- Biological treatment
- Clarifiers
- Chlorination
- Dissolved air flotation
- pH adjustment

8. Do you conduct any of the following metal finishing operations?

- Yes
- No

- Electroplating
- Electroless plating
- Anodizing
- Coating (except powder coating)
- Chemical etching & milling
- Printed circuit board manufacture

Section C: Signature of Authorized Official

I have examined and am familiar with the information submitted in this document and any attachments. To the best of my knowledge, the submitted information is true, accurate, and complete.

Signature: ___________________________________________ Date: __________________________

Title: __________________________________________________
