Nonresident Land Owner Iowa Code Language:

Section 483A.8, subsection 5 of the Code of Iowa: A nonresident owning land in this state may apply for one of the six thousand nonresident deer licenses and the provisions of subsection 3 shall apply. However, if a nonresident owning land in this state is unsuccessful obtaining one of the nonresident antlered or any sex deer hunting licenses, the landowner shall be given preference for one of the antlerless deer only nonresident deer licenses available pursuant to subsection 3. A nonresident owning land in this state shall pay the fee for a nonresident antlerless-only deer license and the license shall be valid to hunt on the nonresident's land only. If one or more parcels of land have multiple nonresident owners, only one of the nonresident owners is eligible for a nonresident antlerless-only deer license. If a nonresident jointly owns land in this state with a resident, the nonresident shall not be given preference for a nonresident antlerless-only deer license. The department may require proof of land ownership from a nonresident landowner applying for a nonresident antlerless-only deer license.
