INTRODUCTION

RCC INNOVATION/IMPROVEMENT GRANT

The purpose of this application is to provide existing Regional Collection Center main and satellite facilities with an application in which to competitively request grant funds. These grants can be used to improve RCC and satellite facility structures or operational efficiencies. RCC's are also encouraged to utilize this grant application to develop and implement new programs and projects at your RCC that are designed to improve customer convenience and participation.

APPLICATIONS:

Applications must be submitted to the Department using the forms provided. Photocopies or emails of the forms are acceptable. Facsimiles of application forms **are not** acceptable. The forms are attached at the end of this document.

An original completed application must be submitted to the Department via email or to the address provided below.

Applications are not guaranteed funding and financial assistance offered may be less than the full amount requested. The Department may offer a reduced award if the Land Quality Bureau has determined that the applicant could implement the project at a reduced level of financial assistance and achieve project objectives and program goals or if the Department determines funds are insufficient to award the full request amount.

Applications must be completed following the procedures identified in this guidance document. Only complete applications will be considered. The Department will not return applications that were not selected for funding assistance. The Department reserves the right to verify any information presented in the application and to determine the applicant's compliance with applicable Federal and State statutes and regulations.
