

## REQUIRED PROJECT MAPS

Project maps are one of the most important components of the Project Proposal. The maps will be used for inspection years after the project has been completed. For this reason, accuracy is crucial. Send a legal description of the boundary with your maps. The State will submit the signed and dated project boundary map to the National Park Service for approval.

### Required Maps - Include two original copies of each of the following:

1. Dated Project Boundary Map with Legal Description
2. Tract Map (acquisition projects only)
3. Site Development Map (development projects only)
4. City/County Map with project location

### The following information is required to be included on the Dated Project Boundary Map, Tract Map and Site Development Map:

1. title of the project;
2. date of map preparation, certified by the grantee signature;
3. maps must be to scale, project boundary outlined, showing feet, acres, and directional arrow;
4. show planned development for project site, color code existing and planned development;
5. show all tracts to be purchased (acquisition projects only);
6. show existing roads (include names), overhead utility lines or other environmental intrusions;
7. show existing land use of land adjoining project site;
