Durable Hard Card

Almost 18,000 hard cards have been sold since February. These are great for customers purchasing 3 year licenses, lifetime licenses, and as gifts. The card images will change each year for those who like to collect hunting or fishing memorabilia.

The durable hard card:

- Will arrive in 5-7 days. Customers will receive a paper copy of their license(s) to carry to hunt and fish immediately after purchase.
- Will print with the active licenses held by the customer at the time of purchase.

Logan’s Law

Beginning September 1, 2019, if a customer has not signed up to be an organ donor, you will be prompted to ask the customer if they wish to sign up. You will only be prompted to ask the customer once during the license year.

Their license will then indicate they are an organ donor if they choose to sign up at the time of license purchase or if they have previously done so with the DNR, DOT or the Iowa Donor Network.
Federal Duck Stamp
Customers are able to purchase the Federal Electronic Duck Stamp at any license vendor or on the DNR website. Customers will be authorized to hunt immediately after purchasing the privilege for 45 days. They should receive the physical stamp within 45 days after purchase.
If you are already a Federal Duck Stamp vendor, you can still sell the physical stamp but will not receive agent commission from the DNR. Please remember that customers purchasing online or in Go Outdoors will be mailed a stamp and should not be given a physical stamp at the time of purchase.
Customers no longer need to affix the physical stamp to their license. They must sign the stamp with ink and carry it with them as soon as it is received.

Residency
If a customer record indicates Nonresident when trying to purchase a license and they are a current resident of Iowa, customers will need to complete the Application for Iowa Residency in order to Acquire Resident Licenses and Privileges and submit supporting documents to the DNR to change residency status. The residency change review process can take seven to ten days.
Customers may download the application from the DNR website: www.iowadnr.gov/hunting or can call Customer Service at 515-725-8200 to request an application be sent to them. The application may be filled out and submitted electronically.

Land Owner Tenant
All landowners, tenants, and their eligible family members must register with the DNR before obtaining LOT deer and turkey hunting licenses. The electronic licensing system will not issue LOT licenses to unregistered landowners and tenants. Eligible landowners and tenants must register online or download a registration form from the Iowa DNR website: www.iowadnr.gov/lot.

Apprentice Hunting License
This license allows hunters ages 16 and older to bypass the hunter education requirement for purchasing a hunting license while they hunt under the direct supervision of a licensed hunter (ages 18 or older). They may purchase the apprentice hunting license up to two times without having completed hunter education. Both the resident and nonresident license includes the hunting and habitat fee.

Youth Season Deer License
The youth season deer license must be purchased during the Youth Season September 21st – October 6th. An unfilled youth season deer license is now valid for any remaining seasons (even archery) but youth must follow all other rules specified for each season.
