

Organ Donor Survey Help Guide

LOGAN'S LAW

Logan's Law, named after Logan Luft, was enacted in 2019 and allows hunting, fishing and trapping license buyers to declare as an organ, eye and tissue donor, when purchasing hunting and fishing licenses, very similar to declaring when purchasing or renewing a driver's license.

By registering as an organ donor, you authorize your organs, eyes, and tissues to be donated at the time of your death. Organs, eyes and tissues will be recovered for the purpose of transplantation; however, in the event a donated organ, eye or tissue cannot be used for transplant, an effort will be made to use

the donation for research.

WHAT IS THE ORGAN DONOR SURVEY?

The Organ Donor Survey in the Go Outdoors Iowa System prompts users if they would like to register to be an organ, eye, and tissue donor.

The survey will be presented after completing a transaction. Please see the [How Does the Organ Donor Survey Work](#) section for more details.

WHO ARE ELIGIBLE TO REGISTER AS AN ORGAN DONOR?

Customers who meet the following criteria are eligible to register as an organ donor:

- Iowa Residents
- Over 14 years of age
- Have not registered as an organ donor through the Organ Donor Network

ARE USERS REQUIRED TO ANSWER THE SURVEY?

No, users have the option not to register as an organ donor. The survey will only be presented **once every license year**. If customers opt to not register for this current year, they will be prompted with the survey again on the next license year.

HOW DO WE KNOW IF A CUSTOMER IS ALREADY A REGISTERED DONOR?

An 'Organ Donor' indicator will be printed on the license document for registered organ donors. See sample license document below.

CAN CUSTOMERS OPT OUT AFTER THEY REGISTER AS AN ORGAN DONOR?

Once customers register to be an organ donor, they stay registered unless they contact the Organ Donor Network.

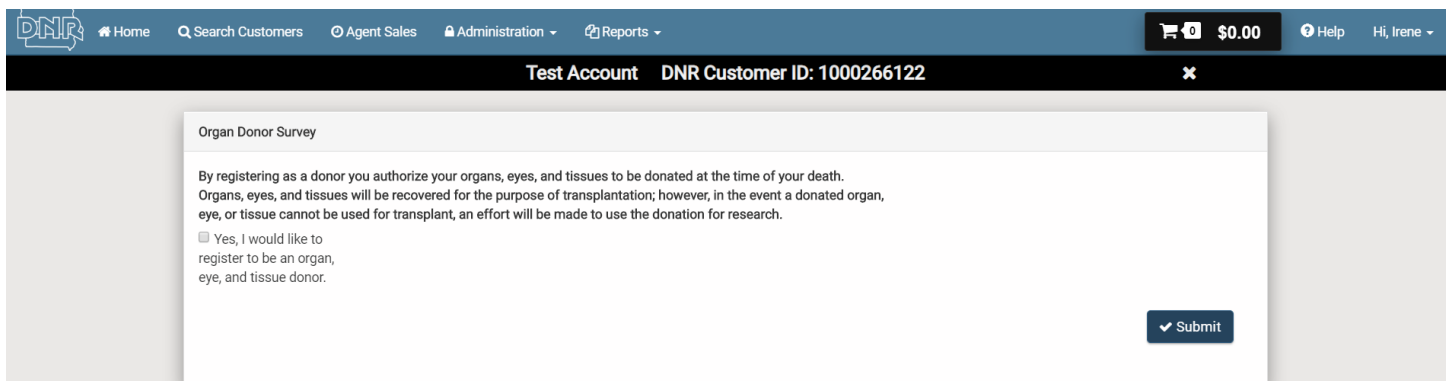

HOW DOES THE ORGAN DONOR SURVEY WORK?

After completing a transaction and the license document has printed, the Organ Donor Survey will be displayed.

1. Click **Okay** on the survey introduction pop up.

2. To register as an organ donor, check the box next to the selection. If customers opt not to register, leave the box unchecked and click Submit.

3. Review the selection. If the customer answered 'Yes' to the survey, you can reprint the license document again and the Organ Donor indicator will be printed on the license document.
