

CABIN/YURT CLEANING RULES

This document contains the cleaning rules which apply to all cabins and yurts and those rules which are specific to individual parks.

Rules for All Cabins/Yurts:

1. Please leave the cabin/yurt in good condition when you check out.
2. Wash pots and pans and any other dishes or utensils if provided and put them away.
3. Clean out and wipe down the refrigerator, stove top/oven, and microwave. Do not unplug any appliances unless instructed by park staff or concessionaire.
4. Wipe down all counters, dining tables and chairs.
5. Return futons to upright position.
6. Floors should be swept and mopped and carpet should be vacuumed if a vacuum cleaner is provided.
7. Empty trash contains and place trash in receptacle or dumpster provided. Replace trash can liners if provided.
8. Clean any spills off picnic tables or other outdoor furniture. Pick up trash in the area around the cabin/yurt and fire ring. Only firewood and ash should remain in the fire ring. NO refuse, cans, or bottles should be in the fire ring.
9. Turn off all lights. Close and lock all windows and doors.
10. Follow instructions for key return and report any damage or problems to park staff or the concessionaire.

Park-Specific Shelter Rules:

Backbone:

- When checking out, leave heat at 68 degrees during the winter or leave air conditioning set at 70 degrees in the summer.

Black Hawk:

- Trash may be deposited in the dumpster across the street from the cabin.
- A broom, mop, etc. are located on the back porch. Limited cleaning products are located under the kitchen sink. The vacuum is located in the living room closet.

Honey Creek:

- Cleaning supplies are furnished with the cabin.

Lacey-Keosauqua:

- Renters should inventory items listed on rules sheet that is left in the cabin. The damage deposit will be reduced by an amount equivalent to the price listed for each item if not present after check out.
