

OFFICIAL PROGRAM

IOWA NASP STATE TOURNAMENT

MARCH 1 - 3, 2024

EVENT PROGRAM

MARCH 1 - 3, 2024

Welcome to the 2024 Iowa NASP State Tournament!

Dear Archers, Coaches, and Parents,

It is with great pleasure on behalf of the Iowa Department of Natural Resources that I extend a warm and heartfelt welcome to the Iowa NASP State Tournament! This is an exciting event where the best archers from all over the state come together to showcase their skills, compete, and most of all have fun.

I know that you have all worked incredibly hard to get here, and I want you to know that your dedication and commitment to the sport is truly inspiring. As you step onto the range, know that you have the support of everyone in the room, including your coaches, parents, and fellow archers.

I hope that this tournament will not only be a chance for you to compete, but also an opportunity to make new friends and to create lasting memories. Remember, win or lose, you are all champions in our eyes.

Thank you for being a part of this wonderful event, and I wish you all the best of luck!

Sincerely,
Zach Benttine

Zach Benttine,
Iowa NASP State Coordinator

DOORS OPEN

Jacobson Exhibition Center (Bullseye)

Friday, March 1: 03:50 PM

Saturday, March 2: 06:50 AM

Sunday, March 3: 06:50 AM

4-H Exhibits Building (IBO 3D)

Saturday, March 2: 08:30 AM

Sunday, March 3: 07:00 AM

COACHES ARRIVAL

Upon arrival, coaches should report to the Coaches' Room located just inside the Main West Doors of the Jacobson Exhibition Center. Coaches will pick up their team packets, which will include wristbands, scorecards, cups, and stickers. Any last-minute authorized changes can be made to their roster and flights at this time. Only tournament officials will be allowed in the scorerooms. All issues should be reported to either the range master or to staff working in the Coaches' Room.

ARCHERS AND PARENTS ARRIVAL

Upon arrival, archers should wait in the designated area set forth by their respective coaches. Once they have received their archer wristbands, they may proceed into the main arena or team camp area. **Note: All archers are required to arrive 45 minutes before their flight and report immediately to the designated inspection area. Archers must have their bows inspected before competing in both the bullseye and IBO 3D tournaments.** Once parents and other family members or guests purchase their admission tickets, they may proceed into the main arena to locate a seat. **Note: Admission tickets will be sold only at the Jacobson Exhibition Center or online.**

WAITLIST

A waitlist will be offered during the tournament for individuals who have achieved the minimum qualifying score but have yet to secure a spot during registration. Waitlist spots will be filled based on the order in which they are received. If an archer is absent when their name is called, they will forfeit their place to the following individual on the list. The waitlist will restart each day. Doors open at 03:50 PM on Friday and 6:50 AM on Saturday and Sunday. **Note: To secure a spot on the waitlist, the archer and a BAI must be present and report to the Coaches' Room in the Jacobson Exhibition Center.**

TEAM CAMP AREAS

Please be respectful of the team camp areas in both buildings. There will be tables available for teams to set up as needed. Make sure you maximize your space's use to its fullest. Utilize bow racks, stack bow cases, utilize space on and below the tables, etc., to ensure everyone has adequate space for their items. If you are done shooting for the day and no longer need your equipment, please remove it from the building so teams can still utilize the space. Sportsmanship off the range is just as important as on the range. Please be respectful and courteous of others and their equipment.

Team Camp Locations:

- Jacobson Exhibition Center (Bullseye) - Warm-Up Arena is immediately east of the main arena.
- 4-H Exhibits Building (IBO 3D) - 1st Classroom on the north side of the entrance. Please do not set up team camp areas near the concession stand or in the main arena where archers are shooting.

AWARDS & SCHOLARSHIPS

The awards ceremony will take place on Sunday, March 3, at the Jacobson Exhibition Center. The ceremony will begin following the final bullseye tournament flight and any shoot offs (approximately 03:30 PM).

LIVE

The Awards Ceremony will be broadcasted live on **@IowaNASP** Facebook!

- **Coach of the Year** - Plaque & \$500 Gift Card

PRACTICE RANGE

The practice range is located in the team camp area at the Jacobson Exhibition Center.

The range will open at 4:00 PM on Friday and 7:00 AM on Saturday and Sunday.

The range will close when the last flight of the day begins.

The cost is \$5.00 (cash or credit card) for 20 arrows per registered archer. Archers must supply their arrows.

Each paid registered archer can shoot two ends at 10 meters and two at 15 meters.

The same whistle commands will apply to the practice and state tournament ranges.

Only paid archers will be allowed beyond the waiting line.

If an archer fails to follow the rules and commands given by the volunteer range master, they could be disqualified from the state tournament.

Remember that the practice range is run and operated by volunteers. It can be shut down at any time if problems arise.

EVENT PHOTOGRAPHY

Only official event photographers and pre-approved media outlets will be allowed to capture images in front of the coaches' line, from the coaches and score rooms, or the balconies. All spectators must remain behind the coach's line except during the awards ceremony. At the awards ceremony, there will be a designated space between targets 1-15 for photos. Coaches and parents can take individual and team award photos, **after** the official tournament photos are taken.

General Photography Etiquette

- Avoid using flash for when archers are on the line shooting - you'll want to minimize any disturbances during their flights.
- It's okay to use flash during social breaks or in the team camp area when needed, but natural light looks fantastic!
- Be aware of shutter sounds. Single-frame shooting is recommended; motor drive is not.
- Be aware of the physical audience and how your movements affect the attendee experience. A good photographer seems invisible to attendees!
