RCBA Guidance Document Revisions and Self-Study Documents

- The [RCBA Tier 2 and Site Monitoring Report Application User's Manual](#) has been posted on the UST website. The Tier 2 Software Version 2.51 Manual has been removed from the website.
- The [Tier 2 Site Cleanup Report Guidance](#) has been updated. The reference to the "Tier 2 Software User's Manual" was replaced with "RCBA Tier 2 and Site Monitoring Report Application User's Manual" and a link embedded to the new manual.
- The Site Monitoring Report table of contents has been revised ([Form 542-0762](#)).
- The [Site Monitoring Report Guidance](#) has been updated. The reference to the software has been replaced with the application and links are embedded in the revised manual.
- The [Corrective Action Design Report Guidance](#) has been updated and can be found on the UST website.
- The [Groundwater Professional Certification Process webpage](#) has been revised and documents for the Groundwater Professional Self-Study Course can be found on the UST website.
