Petroleum Marketers Management Insurance Company
The Iowa Comprehensive Petroleum Underground Storage Tank Fund Board
The Iowa Department of Natural Resources

Agenda

- I. **Introduction – 10:00-10:10am**, Dawn Carlson
 - i. *Panelist Introduction*
 - ii. *Housekeeping items / Format of the morning*

- II. **Contacts and resources, – 10:10-10:20am**, Elaine Douskey
Have you visited the Iowa DNR website lately? Some things have changed. Learn how to navigate through the website to find LUST forms, guidance, and staff contact information; find your site; UST Fund meeting documents.

- III. **Getting LUST sites closed– 10:20-10:45am**, Elaine Douskey and James Gastineau
A no further action (NFA) certificate can be issued by the DNR for a LUST site if high and low risk conditions no longer exist. Learn the risk classification and corrective action planning processes.

- IV. **What is an ‘NFA Re-Opener’? – 10:45-11:10am**, Elaine Douskey and James Gastineau
The Iowa DNR may reopen a site previously classified ‘No Action Required’ if an unreasonable risk to the public health and safety is identified. Learn when a site can be reopened, the process for follow-up site assessment or corrective action activities, and the importance of obtaining an NFA certificate.

- V. **UST Policy Coverage and UST Fund Benefits Overview – 11:10-11:35am**, Scott Scheidel and Tom Norris
What eligible costs does the UST Fund cover? How does the UST Fund Board fit into the picture of your LUST site? What does your UST policy cover? This discussion will center on what the UST Fund and your UST policy covers.

- VI. **Loss Portfolio Transfer – 11:35-12:00pm**, Tom Norris and Scott Scheidel
What is a loss portfolio transfer (LPT)? How could it affect your LUST site? This presentation will detail what a LPT is, liability considerations with regards to your Fund-eligible LUST site, and the advantages & disadvantages of using LPT as a tool with the UST Fund Board including considering its anticipated sunset in 2016.

VII. Closing, 12:00pm – Questions & Answers

Panelists will be available for questions and answers in the auditorium.

Thank you for attending!

How to establish a conference call

If you cannot attend in person, please feel free to call in using the following steps:

STEP 1: Dial **1-866-685-1580**

STEP 2: When prompted type in the conference code: **4510673319**

STEP 3: When prompted, press * to identify yourself.

STEP 4: Press 1 to begin your conference or press 2 to access your default conference options.

Helpful Tips:
